

TAKRAF Group, through its established and well-known brands, TAKRAF and DELKOR, provides innovative technological solutions to the mining and associated industries. With about 1,000 employees across Europe, Africa, Asia, the Americas and Australia, we offer exciting and challenging global career opportunities.

As of now, we are looking for a successor to fill the following position in the Quality Assurance department:

Quality Manager (m/f/d)

Permanent and full-time position (37h) – To start as soon as possible in Lauchhammer, Germany.

Your tasks:

- Independent handling of projects worldwide with regard to quality-related tasks
- Responsibility for conducting quality inspections in the factory and at suppliers
- Independent preparation of quotation calculations
- Responsibility for order-related test planning and creating quality plans
- Creation of inspection plans and responsibility for the global handling of inspections with the customer representative

We offer you:

- 37-hour week with full-time contract
- 30 days of annual leave
- Flexible working hours and partially mobile working
- An international, globally operating team
- Attractive salary package and extra payments
- Individual professional development opportunities
- Feedback discussions
- Company pension plan and health care
- Regular team events
- Free coffee and on premise cafeteria
- On premise car park

Your profile:

- Completed technical university degree, specialising in mechanical engineering or similar
- Basic knowledge of project-related specifics in mechanical and plant engineering
- High level of willingness to travel internationally
- English language skills

As a **Quality Manager (m/f/d)**, you can expect varied tasks in a technical, international environment.
